For purposes of counting the number of active members in a district, and accounting for group membership, the calculation shall be the amount paid by the group (either \$75 or \$100k) divided by the current individual dues rate and apportioned to each district by the percent of physicians that group has practicing in each district.

Section 3. Ohio County Delegates. Each Ohio county will be entitled to one (1) Delegate and one (1) Alternate Delegate in the House of Delegates provided that county has active or retired members of the association working or residing within it.

If there is an active medical society within the county, that society shall submit the name of the Delegate and Alternate Delegate to the association prior to the opening of the House of Delegates.

If no medical society exists within the county, the corresponding OSMA District Councilor in which the county is listed shall solicit volunteers from active or retired members who live or work within the county. In case a Delegate or Alternate Delegate is unable to serve, the President or current physician leader of the recognized medical specialty society may at any time certify to the Chair of the Committee on Credentials the name of a voting member of this Association to serve in place of the absent Delegate(s) or absent Alternate Delegate(s). The Committee on Credentials shall rule on the eligibility of such certified individual or individuals to act in the place of such absent Delegate or Alternate Delegate. A medical specialty society Delegate shall have all rights, privileges and duties as other Delegates. The medical specialty society Delegates will be seated in the House of Delegates as a separate section of medical specialties.

No resolution may be presented or introduced at any meeting of the House of Delegates, unless the foregoing requirements for filing and transmittal shall have been complied with, or unless such compliance shall have been waived by a Special Committee on Emergency Resolutions named to decide whether late submission was justified. Late submission is only justified when events giving rise to the resolution occur after the filing deadline for resolutions. This special committee shall consist of the chairs of the several resolution committees. If a majority of the members of the Special Committee on Emergency Resolutions vote favorably for waiving the filing and transmittal requirement, then such resolution shall be presented to the House of Delegates at its opening session. All resolutions presented subsequent to the forty-five (45) day filing date prior to the opening session of the House of Delegates shall be submitted by their sponsors to the committee no less than twelve (12) hours prior to the opening session of the House of Delegates. If the committee votes unfavorably, the House may override the committee's recommendation by an affirmative vote of four-fifths (4/5) of the Delegates voting.

No consideration may be given, or any action taken, by the Committee on Resolutions or by the House of Delegates, with respect to any resolution unless such resolution is presented or introduced at the opening session of the meeting of the House of Delegates. However, a resolution dealing with an event or development occurring too late to permit the introduction of any such resolution at the opening session may be introduced at a later session with the consent of at least four-fifths (4/5) of the Delegates present. Upon its introduction, such resolution shall be referred to the Committee on Resolutions for consideration and report. The Committee on Resolutions shall have the right to amend any such resolution presented or introduced, or to draft a composite or substitute resolution embracing the same subject matter as the resolution or resolutions introduced, and to submit such amended, composite or substitute resolution for adoption by the House of Delegates. CHAPTER 6

NOMINATION AND ELECTION OF OFFICERS

Section 1. Committee on Nominations. The Committee on Nominations shall consist of eight members including the OSMA President, the OSMA President-Elect and six additional members

appointed by the OSMA President and approved by the Council. The President shall appoint the chair of the Committee. The President and President-Elect serve on the Committee on Nominations during his or her term of office. Other committee members shall serve not more than one, three-year term with two new members rotating on each year.

The Committee on Nominations shall submit a report to the House of Delegates containing the name of one (1) or more members for each of the offices to be filled at that Annual Meeting. For those elections which require a nomination by the committee, each nominee must have a majority vote of the Committee in order to be placed on the report for presentation to the House of Delegates except the nominees for President-Elect and those from the Organized Medical Staff Section, the Resident and Fellows Section, the Medical Student Section and the Young Physician Section.

All nominees shall meet qualifications set forth in the OSMA bylaws. Additionally, the Committee on Nominations shall determine candidate selection criteria for at-large Council positions that may include, but are not limited to, diversity, experience, engagement with organized medicine, experience with strategic planning, physician practice demographics, physician practice settings, current organizational needs, House of Delegates input, OSMA staff input and individual physician self-selection. The precise selection criteria may vary year to year to reflect the current needs of the OSMA. The Committee on Nominations makes the final determination about the selection criteria it will use in any given year and shall inform the membership of the selection criteria used. The Committee on Nominations shall also determine how best to solicit candidates.

The six at-large council seats shall be elected by voting members in annual statewide direct elections. Each year the committee on nominations shall nominate at least three candidates for the at-large seats to be filled; however, not more than two at-large councilors can reside or practice in the same councilor geographic district. The nominating committee shall report to all OSMA voting members the slate of candidates for at-large councilor elections.

OSMA district councilors shall be elected by voting members in district-wide direct elections.

The President-Elect, Secretary-Treasurer, and delegates and alternate delegates to the American Medical Association shall be elected by the House of Delegates.

Section 2. Committee on Elections. The Committee on Elections shall consist of a chair and vice-chair who shall serve two-year terms and be selected from among the delegates to the OSMA House of Delegates. The OSMA President shall annually appoint the vice-chair who shall automatically become chair after the first year of the two year term; except that for the initial year of the committee (2021-2022), the president shall appoint the chair who shall serve a one year term. The Committee on Elections shall serve year round and supervise all aspects of OSMA elections. The committee shall conduct elections, including House of Delegates elections and statewide or district-wide electronic elections, and certify the final vote counts. The committee shall appoint tellers as needed from among the delegates or alternate delegates at the annual House of Delegates to assist with counting votes at the meeting.

Section 3. Eligibility for Reelection of Officers, Delegates and Alternate Delegates to the American Medical Association. No Past President of this Association shall be eligible for election as President-Elect. No Secretary-Treasurer shall serve for more than two (2) consecutive terms. No Councilor shall serve in such capacity for more than three (3) consecutive terms. Any officer originally elected to serve one (1) year or less of an unexpired term shall not be regarded thereby as having served a term. Nothing in these Bylaws shall be construed as forbidding later reelection to any office, other than that of President or President-Elect, after an interruption in consecutive service.

Section 4. Nomination of President-Elect. Nominations for the office of President-Elect shall be made from the floor of the House of Delegates; provided, however, that only those candidates may be nominated whose names have been filed with the Chief Executive Officer as herein provided, unless compliance with such requirements shall be waived. The name of a candidate for the office of President-Elect must be filed with the Chief Executive Officer of this Association at least sixty (60) days prior to the meeting of the House of Delegates at which the election is to take place. Upon the filing of such candidate's name, the Chief Executive Officer shall prepare and transmit promptly this information to each member of the House of Delegates. Compliance with the filing and transmittal requirements may be waived or dispensed with by a vote of at least two-thirds (2/3) of the Delegates present at the opening session of such meeting. The Chief Executive Officer shall cause to be published in advance of such meeting of the House of Delegates biographical information on all candidates meeting the requirements of filing and transmittal.

Section 5. Nomination and Elections at the House of Delegates. A nominating committee report for the election of the President-Elect, Secretary-Treasurer and AMA Delegates and Alternate Delegates shall be made by the Committee on Nominations at the first session of the House of Delegates. Only those candidates may be nominated whose names have been filed with the Committee on Nominations through the office of the Chief Executive Officer. Compliance with the foregoing filing requirement may be waived or dispensed with by a vote of at least two-thirds (2/3) of the Delegates present at the opening session of such meeting.

Section 6. Nomination of President-Elect and Secretary-Treasurer and of Delegates and Alternate Delegates to the American Medical Association. The report of the Committee on Nominations with respect to all elections by the House of Delegates shall be posted or distributed prior to the election. Nominations for the office of President-Elect may be made from the floor at the final session of the House of Delegates. Each nominating speech for any office shall be limited to three (3) minutes. Not more than one (1) speech shall be made in seconding a given nomination and such seconding speech shall be limited to one (1) minute.

Section 7. Nominations from the Floor. Nothing in this chapter shall be construed to prevent additional nominations from the floor by Delegates for the office of President-Elect, Secretary-Treasurer and delegates and alternate delegates to the American Medical Association.

Section 8. Election of President-Elect and Secretary-Treasurer and of Delegates and Alternate Delegates to the American Medical Association. If there is more than one (1) nominee for an office, the election of President-Elect and Secretary-Treasurer of this Association and of Delegates and Alternate Delegates to the American Medical Association shall be by ballot during the House of Delegates. The Alternate Delegates from the Resident and Fellows Section and the Medical Student Section shall be selected in accordance with the Bylaws of their respective sections.

In the event there is only one (1) position to be filled, the nominee receiving the majority of all votes cast shall be declared elected. In case no nominee receives a majority on the first (1st) ballot, the two (2) nominees receiving the lowest number of votes shall be dropped and a new ballot taken; this procedure shall be continued until there are two (2) nominees remaining. The nominee receiving a majority of all votes cast shall be declared elected.

In the event there is more than one (1) position to be filled from among any number of nominees, a nominee, in order to be declared elected, must receive the votes of a majority of those voting, provided, however, that if upon any ballot the number of nominees receiving a majority vote is greater than the number of positions to be filled on such ballot, those nominees (not to exceed the number of positions

to be filled on such ballot) receiving the greatest number of votes shall be declared elected. If upon any ballot some, but not all of such positions are filled, a new ballot shall be taken from among all of the remaining nominees; except that the two (2) nominees receiving the lowest number of votes on the previous ballot shall be dropped on each new ballot until there are two (2) more nominees than positions available, after which the nominee receiving the lowest number of votes shall be dropped. On every ballot a nominee, in order to be declared elected, must receive the votes of a majority of those voting, provided, however, that if upon such new ballot the number of nominees receiving a majority vote is greater than the number of positions to be filled on such ballot, those nominees (not to exceed the number of positions to be filled on such ballot) receiving the greatest number of votes cast shall be declared elected. If upon any ballot no nominee receives the votes of a majority of those voting, the two (2) nominees receiving the lower number of votes shall be dropped and a new ballot will be taken; this procedure shall be continued until there are two (2) more nominees than positions available, after which the nominee receiving the lowest number of votes shall be dropped; and this procedure shall be continued until all positions have been filled. No ballot shall be counted if it contains fewer or more votes than the number of positions to be filled or if the ballot purports to cast more than one (1) vote for any nominee. (For example: if upon any ballot the number of positions to be filled is four (4), then each Delegate voting must vote for four (4) of the nominees for such positions.)

Section 9. Removal from Office. Any officer of this Association, or any Delegate to the American Medical Association, or any Alternate Delegate to the American Medical Association, may be removed from office, for cause, at any time.

Proceedings for the removal from office of an officer of this Association or any Delegate or Alternate Delegate to the American Medical Association shall be commenced by the filing with the Chief Executive Officer of this Association a written complaint signed by not less than sixty (60) Delegates to the House of Delegates of this Association from at least two districts. Such complaint shall name the person sought to be removed, shall state the cause for removal, and shall demand that a meeting of the House of Delegates be held for the purpose of conducting a hearing on the charges set forth in the complaint, and for the purpose of selecting an individual to fill the office which may be vacated by reason of the removal from office of the person sought to be removed.

Within ten (10) days after the filing of such complaint, the Chief Executive Officer shall serve upon the person named in the complaint a true and correct copy of it, together with a written notice specifying the time and place of hearing the charges set forth in the complaint. The Chief Executive Officer shall also mail a copy of the complaint and notice to each Delegate to the House of Delegates of this Association. Service upon the person named in the complaint of a copy of the complaint together with such written notice shall be made by delivering the same personally to the person or by sending the same by certified mail addressed to the person at his/her usual place of residence.

At the hearing upon such charges the person named in the complaint shall be afforded full opportunity to be heard in his/her own defense, to be represented by legal counsel or any other person of his/her own choosing, to cross-examine the witnesses who testify against him/her, and to examine witnesses and offer evidence in his/her own behalf. The House of Delegates shall convene for the purposes of hearing the charges in such complaint, and electing a successor if need be:

- (a) on any date during the Annual Meeting of the House of Delegates, provided the date of such Annual Meeting is more than thirty (30) and less than sixty (60) days subsequent to the date of the service of such written notice upon the person sought to be removed; or
- (b) at a special meeting called for the purpose of hearing the charges set forth in such complaint.

Such special meeting shall be held on a date more than thirty (30) and less than sixty (60) days subsequent to the date of the service of the written notice upon such person sought to be removed.

A quorum for the purposes of this section shall consist of two-thirds (2/3) of the elected Delegates.

If two-thirds (2/3) of the Delegates of the House of Delegates present and voting by secret ballot vote affirmatively to remove such person from office, such person shall be declared removed from office.

A successor to an office in which a vacancy has been created as a result of the removal from office of any such officer, Delegate or Alternate Delegate shall be elected to serve the balance of the term of such office. All nominations for the office shall be made from the floor. The election of a successor officer, Delegate or Alternate Delegate shall be by a majority of the Delegates present and voting and shall be in accordance with Section 5 of Chapter 5 of the Bylaws of this Association, and with respect to a successor Delegate or Alternate Delegate to the American Medical Association such election shall also be in accordance with Section 5 of Chapter 5 of the Bylaws of this Association.

CHAPTER 14 **INDEMNIFICATION**

Section 1. Indemnification. In the event that any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, seeks indemnification from this Association against expenses (including attorney fees), and in the case of actions other than those by or in the right of this Association, judgments, fines and amounts paid in settlement, incurred by him or her in connection with such action, suit or proceeding by reason of the fact that such person is or was a member of the Council, an officer, or a member of any committee or commission of this Association, or is or was serving at the request of this Association as a trustee, director, officer, employee, agent or a member of a committee or commission of another corporation (domestic or foreign, nonprofit or for profit), partnership, joint venture, trust or other enterprise, then, unless such indemnification is ordered by a court, this

Association shall determine or cause to be determined in the manner provided in Section 1702.12 (E)(4) of the Revised Code of Ohio whether or not indemnification is proper in the circumstances because the person claiming such indemnification has met the applicable standards of conduct set forth in divisions (e)(1) and (e)(2) of Section 1702.12 of the Revised Code of Ohio and, to the extent that it is so determined that such indemnification is proper, the person claiming indemnification shall be indemnified.

Section 2. Advancement of Expenses. Expenses, including attorney's fees, incurred in defending any action, suit, or proceeding referred to in Section 1 of this Article may be paid by this Association in advance of the final disposition of such action, suit, or proceeding as authorized by the Council in the specific case upon receipt of an undertaking by or on behalf of the person reimbursed to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by this Association as authorized in this Article.

Section 3. Non-Exclusivity of This Article. The indemnification provided by Section 1 of this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under the law or any agreement, vote of disinterested members of the Council or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to hold such office and shall inure to the benefit of the heirs, executors, and administrators of such a person.

Section 4. Insurance. This Association, to the extent permitted by Chapter 1702 of the Ohio Revised Code, may purchase and maintain insurance on behalf of any person described in this Article.
