

## OBGYN

# Coding & Documentation

## Getting Ready for 2020!

### ABOUT THIS COURSE

Keep up to date with the latest coding and rule changes, and gain confidence in documenting and coding OBGYN services with precision to avoid denials due to incorrect reporting of services, and ensure compliance and appropriate reimbursement for the services you perform. Case studies and audit exercises used throughout promote active learning and to help you apply this new information.

### WHO SHOULD ATTEND

Coders, billers, practice managers, physicians, non-physician practitioners, and others interested in correct coding for OBGYN services.
