Involvement in the OSMA House of Delegates is vital to the leadership of medicine in Ohio. It is necessary for representation from all aspects of medical practice to be involved in formulating OSMA policy. My vast experiences at all levels of organized medicine have allowed me to bring balanced and knowledgeable opinions to the discussion of today's critical topics. As the face of our profession changes daily, much of yesterday's history is playing out before our eyes. I look forward to sharing my knowledge and experience with more of today's and tomorrow's physicians at OSMA House of Delegate events.
