Personal statement. (250 word maximum) *

I would be honored to serve another term as a Delegate or Alternate from District 2 to the OSMA. Though I live in Cincinnati, District 2 has been my home for medical learning and practice since beginning medical school at Wright State in 2009. Since returning from my residency training in Texas, this past year as a District 2 Alternate Delegate has been a great learning experience as I reintegrate myself into the OSMA and its great work. Now, as a member of the OSMA Council and newly elected Secretary of the Montgomery County Medical Society, I hope to provide continuity in both communication and execution of our shared agenda through a position on the District 2 Delegation to the OSMA. It would be an honor to serve my patients and colleagues in this capacity, and I hope that I can count on your vote.
