I've been a member of OSMA and AMA for 4 decades. I understand the issues facing physicians and the practice of medicine in this era. I believe strongly in the necessity of practicing physicians to be involved in organized medicine and have a voice in decisions that impact patients and physicians. I'm skilled in committee and organizational leadership and followership. We need to work together better during this dynamic era of change. I'm happy to serve as a delegate from Greene County.
