

Personal Statement

Election for Ohio Delegate to the AMA

February 16, 2023

My name is Chris Paprzycki, and I have been a board certified vascular surgeon in Cincinnati, Ohio for the past 6 years. I have been an active member of the Ohio State Medical Association since my first year of medical school nearly 15 years ago. In that time, I have served and volunteered within the organization at multiple levels of leadership, initially starting within both the MSS and RFS leadership. I am currently a member of the OSMA Council, serving since 2020 as the At-Large Councilor from District One. I also authored multiple prior resolutions as well as given testimony both as an individual and for my District. I have served on the Reference Committee at our OSMA annual meeting on several occasions, acting as RefCom Chair in 2019. Over the past year, I have been a member of the delegation to the AMA as an Alternate Delegate, which has been a significant honor. My experience over the past 15 years within the OSMA has given me a passionate and unique perspective on the critical issues that Ohio physicians face. I ask for your vote for Delegate to the AMA and look forward to meeting everyone in Columbus!
