

2020 MEDICARE & MEDICAID UPDATES

The Ohio State Medical Association works with Ohio's Medicare and Medicaid Payers to provide OSMA member practices with updates, tips and resources—keeping you in compliance, and helping to get your claims paid in a timely, appropriate way.

This year, each presentation will vary but overall content will include:

- Hot topics related to Covid-19
- New policies impacting provider enrollment, prior authorizations and claims processing
- Provider relations and assistance
- New initiatives and operational reminders
- Credentialing and enrollment
- Troubleshooting and tips for the most common billing questions, denials and delays.
- Special MIPS update by CliniSync

Up to 7.5 CEU credits
available for all formats

Continuing Education:

This program has the prior approval of AAPC for 7.5 continuing education hours. Granting of prior approval in no way constitutes endorsement by AAPC of the program content or the program sponsor. This is valid for both the live webinar and on demand formats. Participants will be provided with an AAPC Code Card to track index numbers, which will be given during the presentations.

»» ACCESS DETAILS

All live webinar registrants will also be given access to the On-Demand Recordings.

Registrants will receive an email with instructions for accessing the webinar and/or recordings & slides. Be sure to include a valid email with your registration to receive all confirmation details! Only the name registered is eligible for the CEU credits. If multiple viewers need credit and want to access the live webinars from different workstations, each person should register separately. Multiple staff may attend using the same login if they are viewing from the same computer, but if the same login is shared with others in your practice and utilized on different computers, you will be invoiced a separate registration fee for each.
