

I have had the opportunity to be involved in organized medicine at the local, state and federal level as a member of my the Academy of Medicine of Cleveland and Northern Ohio, the Ohio State Medical Association, the AMA and my state and national specialty societies. In addition, I have served Medical Staff Leadership positions and currently am a member of the Board of Directors and Finance Committee of the St. Vincent Charity Medical Center. In addition, I also served as Secretary/Treasurer of the Medical Staff and served six years as Medical Staff President. Currently I am the Director of the Division of Anesthesia and Medical Director of Surgical Services. I was fortunate enough to be a member of last years AMA delegation. It was an excellent learning experience for me and I hope I made a positive contribution. Given my experience, I believe I can continue to make positive contributions to our delegation and I hope to have the opportunity once again next year. I look forward to support of my candidacy for Delegate to the AMA. Thank you.
