

**William Sternfeld, MD**

I am running for re-election as a delegate representing Ohio at the AMA House of Delegates. I have served in many roles in organized medicine. I have served in multiple roles in the OSMA including President. I served as chief of staff of my hospital in Toledo. I have served in multiple roles in my specialty society including president of the Ohio Chapter of the American College of Surgeons. At the national level I served as a Governor of the American College of Surgeons for 6 years, which is the equivalent of the AMA House of Delegates. In the AMA HOD I have served on several committees, including Reference Committee F. This was a 2 year term and I served a third year as the chair of that committee.

I have also been involved with the AMA Foundation. I am the current President -elect and will serve as President beginning in July 2022.

As a current member of the Ohio delegation I serve as chair of the Great Lakes Selection Committee. This committee vets candidates who wish to run for election in the HOD.
