## **Personal Statement**

I have been a delegate to AMA HOD for more than last 10 years. During my term I have served on Ref Com B (legislation) on two different occasions. I was influential in crafting language for Medicare fix to prevent Medicare cuts which was adopted by AMA. I have been lead from OSMA on REF COM B for past many years. I also lead from Ohio to ask AMA for elimination of Medicare sequestration. I have also served as the Chair of IMG section of AMA and has advocated for various issues pertaining to IMG physicians. Recently I was appointed on the Code of Conduct committee of AMA by the AMA board.

This year I am taking a newly discovered issue of Ohio citizens who have signed up for Medicare Advantage Plans but want to revert back to regular Medicare. These citizens are caught in MEDIGAP TRAP and have significant hurdles to revert back to regular Medicare.

I am asking for your Vote to reelect me as Delegate to AMA so I can continue to work for citizens and physicians of Ohio
