

The Surekha & Deepak Kumar, MD Endowed Fund

for Emerging Physician Leaders & Advocates

About the Donors:

Dr. Deepak Kumar, MD, FACS, FACRS is a distinguished figure in the medical community, and exemplifies dedication to the advancement of medicine and physician leadership. His journey in medicine has been driven by the desire to make long-term, meaningful changes in individuals' lives. Dr. Kumar's commitment extends beyond patient care—he is a vocal advocate, engaging with citizens, legislators, and business leaders, ensuring that the voices of both patients and colleagues are heard.

Beyond his professional achievements, Dr. Kumar is deeply invested in nurturing the next generation of physicians. His advice to aspiring medical professionals emphasizes the importance of looking beyond political noise to the fulfillment that comes from improving lives.

In line with his vision for the future of medicine and his enduring commitment to physician advocacy and leadership, Dr. Kumar and wife Surekha have generously established this endowed fund.

About the Fund:

The Surekha and Deepak Kumar, MD Endowed Fund will provide financial assistance to bolster the individual capabilities of emerging physician leaders and advocates, fostering their personal and professional growth and enabling them to further contribute to healthcare policy and practice improvement.

Interested physicians will apply for assistance to attend selective physician advocacy and leadership development programs. Awards will be made through a selection process led by a committee of the OSMA Foundation.

Matching Gift Challenge

Double Your Impact for Emerging Physician Leaders

We are thrilled to announce a special Matching Gift Challenge for The Surekha and Deepak Kumar, MD Endowed Fund for Emerging Physician Leaders and Advocates!

Thanks to the generosity of Surekha and Deepak Kumar, MD, every donation made to the fund during this challenge period will be matched dollar for dollar.

For every dollar you donate to The Surekha and Deepak Kumar, MD Endowed Fund, the Kumar's will contribute an equal amount, effectively doubling the value of your gift. Every contribution, no matter the size, will be matched and have twice the impact. ***We're already at \$25,000!*** Once the Fund reaches \$100,000, annual awards can be made.

Why Your Support Matters:

By participating in this Matching Gift Challenge, you are directly supporting emerging physician leaders who are passionate about advocating for the medical profession, influencing healthcare policy, and fostering leadership among physicians.

Your donation helps provide financial assistance to these emerging leaders, enabling them to grow personally and professionally, and make significant contributions to healthcare policy and practice improvement.

With your support, we can empower the next generation of physicians to drive positive change in healthcare and make a lasting impact on the lives of patients and communities.

Join us in this exciting Matching Gift Challenge and double your impact today!
