

You Matter to Molina

At Molina of Ohio, our providers matter! Our **You Matter to Molina** program was created to directly connect to providers and support you in delivering high-quality, efficient care to our members.

The program gives providers access to monthly bulletins, trainings, surveys, presentations, videos and more.

Learn more now at MolinaHealthcare.com/Providers/OH/Medicaid/comm/YouMattertoMolina.aspx.

Connecting with your provider representative

Ohio has designated provider relations representatives based on provider types to help answer your questions more efficiently or to connect you to training opportunities.

To find your representative, please visit

MolinaHealthcare.com/Providers/OH/Medicaid/Contacts/Provider-Relations.aspx

Molina clinical policies

Molina has established clinical policies that function as one of the sets of guidelines for coverage decisions or determinations.

To view active policies, please visit MolinaClinicalPolicy.com.

Thank you for being part of the Molina family.
